

PARENTS: IMPORTANT INFORMATION CONCERNING HOME ACCESS CENTER

Parkland School District provides each parent with **Home Access Center** which offers a secure web-based opportunity to track your student's attendance and academic performance. **With the first marking period ending soon and report cards being offered online, it is extremely important for all parents to have their Home Access Center account up and running.** Without an active HAC (Home Access Center) account you will not be able to view your student's report card once posted.

If you have not created a Home Access Center or you need a refresher on how to access your Home Access Center, please click on the link below.

How do parents view/print report cards in HAC?

Luckily the process has not changed for parents. Parents click the Grades button to view or print grades.

The **HAC Instruction** document can be found in the link above. Page 15 shows that specific screen.

If you are having problems or if you need technical or password help, please contact hac@parklandsd.org
